Complete Streets are streets for everyone. They are designed and operated to enable safe access for all users, including pedestrians, bicyclists, motorists and transit riders of all ages and abilities. Complete Streets make it easy to cross the street, walk to shops, and bicycle to work. They allow buses to run on time and make it safe for people to walk to and from train stations.

The 2nd Annual Complete Streets Summit is now being planned. Last year we had over 100 local community, civic, and governmental leaders participate. To participate please contact us at 631-261-0242, or at info@visionlongisland.org.
