Dear Friend,

Please join us for the 13th Annual Smart Growth Awards Friday, June 13th from 11:30am to 2:00pm at the Crest Hollow Country Club. At this event, Vision Long Island will showcase real people and projects that represent the transformation of our downtowns and investment in our region's infrastructure.

Vision is pleased to announce our honorees for Regional Leadership: Nassau County Executive Ed Mangano for his successful work in securing funding for the Bay Park Sewage Treatment Plant, investment in over 1200 units of Transit Oriented Housing in our downtowns and passage of the Complete Streets law; **H2M's Robert Scheiner** for a distinguished career working with local governments and business leaders in infrastructure investments and support of community rebuilding while being a model corporate citizen.

This year the Smart Growth Awards presents a diversity of honorees: Bernadette Martin of Friends and Farmers who operates Farmers Markets in downtowns across LI and was one of the few bright spots of revitalization in Long Beach post-Sandy. **Envision Valley Stream** for supporting TOD housing, Complete Streets and bringing folks to their downtown business district; **Operation Splash** for years of cleanup of south shore waterways and advocacy for investments in the Bay Park Sewage Treatment Plant; the **Great Neck Sewer District** for a state of the art, clean upgrade for its facility; **Suffolk Legislator Jay Schneiderman** for securing bus service on Sunday in Suffolk County.

Redevelopment projects being honored include Greenview Properties in Bayshore for investing in mixed use development downtown with an attentiveness to design and placemaking; **Watchcase in Sag Harbor**, a unique project that creatively brings life to an old industrial facility; **Downtown on Main in Smithtown** for approved apartments at a vacant lumberyard; and **Wincoram Commons in Coram** that creates a Main Street on the site of a shuttered movie theatre planned and approved as a result of a community vision.

We also take time once again to honor **post-Sandy community rebuilding volunteers** who continue to lead the way when precious few resources are coming from traditional sources. **Neighbors Supporting Neighbors in Babylon, Sandy Support Massapequa Style and 11518 in East Rockaway** represent some of the best local leadership. They are not only helping their own communities but assisting the entire south shore through the Friends of LI network.

The event is annually attended by a broad array of community, government and business leaders. **Last year's event featured over 700 guests so secure your spot now!**

Sponsorship packages and journal ads are available. Download registration forms, information about past awards events and more at www.visionlongisland.org.
