2020 Main Street Economic Outlook “Bringing Local Jobs to our Communities”

Wednesday, January 22nd, 2020

8:00 AM to 10:00 AM

East Farmingdale Fire Department
930 Conklin St, Farmingdale

The Long Island Main Street Alliance is a coalition of residents, business owners, civic organizations, chambers of commerce, local elected officials and other supporters of local downtowns. We support community driven downtown revitalization, bottom up planning with support from local residents and business owners, and infrastructure funding to support walkable and transit friendly communities.

Our mission is to support both new and historic downtown centers by providing information, sharing resources, and securing funding. We lobby for legislation and funding at the state and federal level while advocating for projects and policies at the local village, town and county level. We promote events and activities in local downtowns as well as hold press events to bring attention to issues critical to our communities. The substance of the issues and strength of the collaboration is what is paramount.
