

Village of _____
AMITYVILLE
_____ New York

**Village of Amityville
DRI Business Façade Improvement Program
Application**

Application Date: 2/22/24 Submitted by: Peter Hudson

Project Name: Lauder Musuem Facade Improvement

Applicant Name: Amityville Historical Society

IRS EIN #, ITIN #, or SS #: 237148332

Applicant Phone Number: 631-598-1486

Email Address: amityville.historical.society.lm@gmail.com

Site Address: 170 Broadway

City: Amityville State: NY Zip: 11701

Applicant Address: same

City: _____ State: _____ Zip: _____

Mailing Address (if different): _____

City: _____ State: _____ Zip: _____

1. Provide a brief (1 – 2 sentences) description of the project:

Install in-ground recessed lighting at the front entrance of the building and construct parapit/mansard on front and side of addition to building along with window replacement to match the features of the main building.

2. Does the applicant own the building? Yes No

If answered "No", attach the declaration from the building owner providing approval of the project proposal as well as evidence of your lease extending through the 3-year regulatory term. See Required Attachments below. If you answered "Yes", please provide proof of ownership. See Required Attachments below.

3. Describe the current condition of the building's facade:

The facade of the building is in excellent condition as it has been re-pointed and painted. The widows and front door have recently been replaced with all resturation done in compliance with historic preservation.

4. Describe in detail the proposed improvements:

See attachment

5. Identify the exact components of the project that the grant funding will be used for:

See Attachment

6. Describe the expected impact your proposed project will have on the building, the occupying or future business(es), and the community:

See attachment

7. Is the proposed work visible from a public right of way? Yes No

8. Will you use your own architect or grant provided assistance? Own Grant

9. If own, please provide their name/address:

10. Grant Request (Small projects \$5000-\$25,000 Large Projects \$25,000-\$100,000) Request should match costs in #12): \$76,950

11. Project Match (at least 20% of the total project cost): \$16,000

12. Please provide breakdown of the work needed and estimated cost:

Work Description	Estimated Cost
Remove and replace concrete and brick sidewalk for wiring and in-ground lighting	\$7,550
Supply and install wiring and in-ground recessed lighting and replace roof lighting	\$11,600
Construct and install parapit/mansard on addition roof to match main building roof line	\$54,000
Remove and install window to match windows on main building	\$3,800
total	\$76,950

ATTACHMENT

4. Install four in-ground recessed LED flood lights in the front of the building and replace roof lights with LED lamps to increase the visibility of the building . Add a parapet/mansard addition along front and side of addition to building with crown and dental moulding and corbel blocks. Replace existing window to match the windows in the front of the museum.

5. Four Kichler 15295AZ One Light in-ground lights will be installed in the front of the museum which will require removal and replacement of concrete and wiring. For the parapet, scaffolding will be set up and a new façade wall will be built using metal studding. An angled wall will be built on the back of the façade. Roofing will also be installed on the back of the façade. Install fypon on the front and side . Install fypon crown and dental moulding and corbel blocks. Replace existing window with custom window matching existing windows on front of building.

6. The museum is a 115 year old building and is one of the most prominent buildings in the downtown area and also in the historical district. The building is prominent in all of the village events. Lighting enhancement will further add to the visual aspects of the building and increase visitation to the museum as well as other retail establishments within the district.

(If more space is needed, please provide as an attachment)

13. First available date to begin: 06/01/2024

14. Are funds currently available for the entire project?

Yes No

15. This is a reimbursement-based grant, which means the applicant will pay for the project out of pocket and submit requests for reimbursement upon completion of the project. If the applicant does not have funds available for the entire project, explain how the project will be financed. Proof of financial resources required as an attachment. See Required Attached Requirements Below:

16. If the building includes residential space, please indicate the total number of units currently occupied and unoccupied for each floor of the building: *N/A*

a. First Floor

i. Number of Units Occupied: _____

ii. Number of Units Unoccupied: _____

b. Second Floor

i. Number of Units Occupied: _____

ii. Number of Units Unoccupied: _____

c. Third Floor

i. Number of Units Occupied: _____

ii. Number of Units Unoccupied: _____

17. Please list the names of the current occupying business(es) and the number of both full and part-time jobs associated with each business:

N/A

18. If the building is currently vacant, please share the anticipated date of occupancy and list the names of the future business(es) and the number of both full and part-time jobs associated with each proposed business:

N/A

19. Please provide the contact information of the individual(s) managing all requirements of the grant

Name	Title	Role	Phone	Email
Peter Hudson	Grants Chairman		631-264-2564	plhudson@hotmail.com
