

The 2021 Long Island

Smart Growth Awards

June, 2021

20 Years of Celebrating and Honoring the People and Projects that matter!

For almost two decades, Vision Long Island has been honoring the individuals and organizations that display true Smart Growth leadership in advancing projects, policies, regulations and initiatives. Specific focus areas include mixed-use development, affordable housing, open space and historic preservation, environmental health and safety, traffic calming and pedestrian safety, transportation enhancements, clean energy, downtown revitalization and/or community planning.

We need your suggestions!

Award recipients stand out in their ability to demonstrate one or more of the following:

- Mix of land uses
- Take advantage of compact building design
- Create housing choices for a range of household types, family sizes and incomes
- Strengthen existing communities and achieve more balanced regional development
- Encourage citizen and stakeholder participation in development decisions
- Create walkable neighborhoods
- Foster distinctive, attractive communities with a strong sense of place
- Preserve open space, farmland, historic buildings and critical environmental areas
- Provide a variety of transportation choices
- Make development decisions predictable, fair and cost effective
- Utilize clean energy and green building development
