

In a time of uncertainty, Pink Tie is delivering for Long Island!

PinkTie Delivers is a program that picks up food donations and gets them to local pantries in hard hit communities in Nassau and Suffolk. With the help of the limo company Late Night Chauffers, PinkTie volunteers have been picking up food donations from people's doorsteps and delivering them to food pantries across Long Island to help keep them stocked and people fed.

The service has picked up and delivered donations to over 35 pantries with 75 total stops of food and financial donations to local food pantries that are struggling through this ongoing pandemic.

Please consider joining and helping out with this important mission! Visit [pinktie.org](http://pinktie.org) to schedule a donation or volunteer today!
