The **Long Island Complete Streets Summit** is an annual event that brings together officials, advocates, and interested parties from across the region to discuss ways to improve the safety, economic impact, comfort and attractiveness of our roads for all users.

Please join us this year on **Tuesday, April 2nd**, (NOTE NEW DATE) from **8:30 am to 11:00 pm**, at **317 Main Street in Farmingdale**. There we will feature the latest pedestrian and bike safety updates, new safe street projects and policies, and call on our local leaders to accelerate the pace of improvements throughout Long Island.

Afterwards, participants will be invited to join us on a walk audit of some of the local roads that are in need of safety improvements to prevent future crashes.

For more information on how to register, and to keep up with information concerning the Complete Street Summit, please contact us at events@visionlongisland.org or **631-261-0242**.
