Comments: We need to decide what we want to be.

If you look at all the revitalized downtowns there is a major entertainment hub. ie Patchogue, Huntington, Lindenhurst Bayshore etc. Also there are many major exteriors along the main streets. As of now Deer Park has neither. We need them and a plan. My idea was the entertainment hub to be where the new LIRR is going. I would find a hub near there maybe in the Heartland Business Park. Parking can be accommodated at the LIRR train station and Tanger outlet. A shuttle can run from there around town. Use the on/off system like NYC has Pay say \$5.00 get a ticket and hop on/off to where you want to go. We need to attract people here. As of now Deer Park has many fast food places and pizza places but not many for example gastro pubs, like BBQ Restaurants, The Post Office (Babylon) The library, NUTTY Irishman (Farmingdale) New micro Brew- BBQ restaurant (Lindenhurst) to name a few. As of now the Ruby Tuesday has been vacant for a long time.

- Clean up L.I. Ave east of DPA - land just east of car wash has becoming a dumping ground for boats and dumpsters
- The little house on DPA between LI Ave and Lake Ave is now a storage area for dumpsters
- Convert corner of Lake Ave and DPA (old Kristys and Firestone Tire) into gazebo

Comments:

A lot of the roads in the area have debris or potholes in the shoulder area and/or sidewalks that make it difficult or dangerous to walk, ride bicycles or even for people in wheelchairs or motorized chairs to travel.

There needs to be more patrols or other ways of addressing the issues with cars being broken into overnight. Safety is an important issue. Also traffic issues with people driving too fast or in a hazardous way.

More bike paths either off road or on road bike lanes are needed, Especially along LI Ave and Commack Rd. There needs to be sidewalks coming out of Shoprite Shopping Ctr to allow for pedestrian/bicycle/wheelchair access since the road there does not have a sidewalk. Commack Rd is a speedway and dangerous.

Comments:

DP Ave looks awful - no trees, new "brick" on sidewalks is pink & looks fake. Need trees!!

No more fast food!!

We need a luncheonette - someplace for kids after school & to sit & meet neighbors

* Save the original firehouse * old fire store on DPA - Could be historic based cafe.

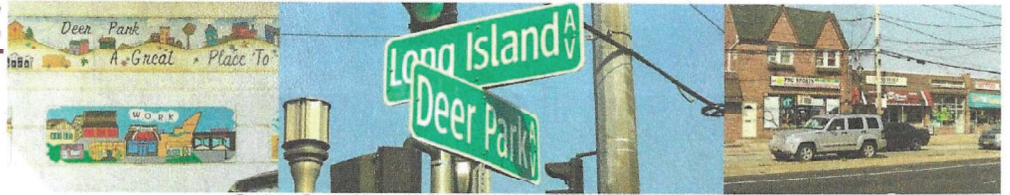

Taxier is 1/2 empty - we don't need more retail on DPA

Store fronts need beautification. Family Florist always looks beautiful - more places need to put in effort to beautify.

Comments:

- Can the train tracks be raised?
- We need more input from residence with school age children. Saturdays many kids play sports, making it difficult to attend.
- Many people attend the Father's Day Run - (Downey)
This large event would be a great time to meet with the community.
- People speeding off DPA. Can some blocks be closed off to divert traffic + make side streets more safe.

Comments:

Waste mgmt - keep areas near industrial areas clear from litter + dumping. Improved recycling service by the Town of Babylon. Offer composting service!!

Offer housing that young professionals can actually afford to live in. Not affordable housing that they don't qualify for. Think 1-2 bedroom apartments.

Setup @ Deer Park as a place you can walk ^{and} bike around safely. People can rent bikes or walk to sit down, HEALTHY, eateries & shops.

Young people care about sustainability + fairness - demonstrate that Deer Park cares about those things and the young professional will come + bring their friends. Ideas include incentives + subsidies to make homes more energy

Comments (continued from front):

efficient, electric chargers for cars (along with the many, many gas stations), clear cut opportunities to get involved in the community, composting, true recycling, more mom + pop shops, focus on diversity, inclusion + equity
~~Recs~~

Recognize that a lot of the industry is on the East side where more black + brown people live. There is a disproportionate impact of exposure to toxins for POC.
