

The 2020 Long Island Smart Growth Awards

Friday, June 12th 2020

Crest Hollow Country Club, Woodbury

19 Years of
Celebrating and
Honoring the People
and Projects that matter!

For almost two decades, Vision Long Island has been honoring the individuals and organizations that display true Smart Growth leadership in advancing projects, policies, regulations and initiatives.

Specific focus areas include mixed-use development, affordable housing, open space and historic preservation, environmental health and safety, traffic calming and pedestrian safety, transportation enhancements, clean energy, downtown revitalization, and community planning.

We are now accepting nominations for the 2020 Awards!

Award recipients stand out in their ability to demonstrate one or more of the following:

- Mix land uses
- Take advantage of compact building design
- Create housing choices for a range of household types, family sizes and incomes
- Strengthen existing communities and achieve more balanced regional development
- Encourage citizen and stakeholder participation in development decisions
- Create walkable neighborhoods
- Foster distinctive, attractive communities with a strong sense of place
- Preserve open space, farmland, historic buildings and critical environmental areas
- Provide a variety of transportation choices
- Make development decisions predictable, fair and cost effective
- Utilize clean energy and green building development
