

The 2021 Long Island

Smart Growth Awards

June 11th, 2021

20 Years of Celebrating and Honoring the People and Projects that rebuild our downtowns!

For nearly two decades, Vision Long Island has been honoring individuals and organizations that advance the growth of our downtowns and infrastructure through projects, policies, regulation and leadership. Specific focus areas include transit oriented development, affordable housing, environmental sustainability, traffic calming, transportation enhancements, clean energy and community based planning.

This past year due to the challenge of Coronavirus regulations local leadership stepped forward to keep our Main Street businesses open and our food pantries stocked so we will be recognizing many of those true heroes as well.

Please join us for this important event!

Registration is Now Open and Sponsorships are Now Available!

You can Register or Sponsor this Event at the Following Site:
