

The Long Island Main Street Alliance is a coalition of residents, business owners, civic organizations, chambers of commerce, local elected officials and other supporters of local downtowns.

We support community driven downtown revitalization, bottom up planning with support from local residents and business owners, and infrastructure funding to support walkable and transit friendly communities.

Through the Coronavirus economic shutdown and partial recovery we have worked with the leaders of 45 downtowns to provide lobbying, education, communication, promotion, technical assistance and relief efforts to keep Main Streets running.

## Main Street Alliance Virtual Meeting: Continuing the Reopening Wednesday June 23 at 3pm

Join us on June 23rd at 3pm for our quarterly meeting of the Long Island Main Street Alliance. As regulations are being lifted, how to get back to a level of normal for our downtowns creates a lot of questions. Join us as we discuss some of the ways and funding options that can help restore our downtowns.
