

The 2023 Long Island Smart Growth Awards

Save the Date: June 16th, 2023

For over 20 years Vision Long Island has been honoring individuals, organizations, and projects that advance the growth of our downtowns and infrastructure. Specific focus areas include transit oriented development, affordable housing, environmental sustainability, traffic calming, transportation enhancements, clean energy and community based planning.

Award recipients stand out in their ability to demonstrate one or more of the following:

- Mix land uses
- Take advantage of compact building design
- Create housing choices for a range of household types, family sizes and incomes
- Strengthen existing communities and achieve more balanced regional development
- Encourage citizen and stakeholder participation in development decisions
- Create walkable neighborhoods
- Foster distinctive, attractive communities with a strong sense of place
- Preserve open space, farmland, historic buildings and critical environmental areas
- Provide a variety of transportation choices
- Make development decisions predictable, fair and cost effective
- Utilize clean energy and green building development
