

WE ARE...

The Long Island Main Street Alliance is a coalition of residents, business owners, civic organizations, chambers of commerce, local elected officials and other supporters of local downtowns.

OUR GOAL...

We support community driven downtown revitalization, bottom up planning with support from local residents and business owners, and infrastructure funding to support walkable and transit friendly communities.

MAIN STREET SOLUTIONS...

Through the Coronavirus economic shutdown and ongoing recovery, we have worked with the leaders of 45 downtowns to provide lobbying, education, communication, promotion, technical assistance and relief efforts to keep Main Streets running.
