

Smart Growth

SATURDAY

May 9, 11:00 am

Fresh off of last year's events, Vision Long Island invites you to join us in local downtowns for the third Smart Growth Saturday! Visit real places with projects underway and well managed Main Streets, showing the progress of downtown renewal across Long Island. We have chosen these communities for this round of tours and we recognize that there are many other downtowns across Long Island doing great work and we look forward to future tours.

Tours will gather at 11 am for an initial presentation and will leave before 11:30. Tours are free, but RSVPs are required as space is limited. RSVP to 631-261-0242 or ea@visionlongisland.org Vision will share & invites those on tours to post photos on Twitter & Instagram #SmartGrowthSaturday
