

Smart Growth

SATURDAY

September 20, 11:00 am

Fresh off of last spring's event, Vision Long Island invites you to join us in local downtowns for the second Smart Growth Saturday! Visit real places with projects underway and well managed Main Streets, showing the progress of downtown renewal across Long Island. We have chosen these communities for this round of tours and we recognize that there are many other downtowns across Long Island doing great work and we look forward to future tours.

Tours will gather at 11 am for an initial presentation and will leave before 11:30. Tours are free, but RSVPs are required as space is limited. RSVP to 631-261-0242 or ea@visionlongisland.org Vision will share & invites those on tours to post photos on Twitter & Instagram #SmartGrowthSaturday

GREAT NECK PLAZA

Meet at Village

Hall (2 Gussack Plaza) at 11 am. Tour will be led by **Village of Great Neck Plaza Mayor Jean Celender** and will include: Numerous traffic calming projects and pedestrian safety improvements, new mixed use development, bustling downtown business and shopping district

ROCKVILLE CENTRE

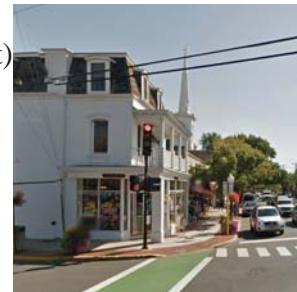

Meet at Village

Hall (1 College Place) at 11 am. Tour will be led by **Deputy Village Administrator Kathleen Murray** and will include: transit oriented downtown business district, new developments, restaurant row, and the village's approach to placemaking, parking and overall management.

BABYLON

Meet at Village Hall (153 W. Main Street)

at 11 am. Tour will be led by **Village of Babylon Mayor Ralph Scordino** and will include successful retail business district, restaurants, historic properties and public space, the Rosebud Lane townhouses, and Argyle Park.

PORT JEFFERSON

Meet at Village Hall (125 W. Broadway)

at 11 am. Tour will be led by **Chairman of the Suffolk County Planning Commission David Calone and a representative of the Port Jeff BID** and will include: Distinctive waterfront community, recreational amenities, waterfront park, community center, museum, restaurants and shopping.

Save the date for the 13th Annual Smart Growth Summit on Friday, November 21 from 8:00-4:00 at the Melville Marriott. To register, [click here](#) or visit www.visionlongisland.org
