FOR THE

2026 Long Island Smart Growth Awards

June 12th, 2026, Crest Hollow Country Club, Woodbury, NY

For over 20 years Vision Long Island has been honoring individuals, organizations, and projects that advance the growth of our downtowns and infrastructure. Specific focus areas include transit oriented development, affordable housing, environmental sustainability, traffic calming, transportation enhancements, clean energy and community based planning.

Honorees will stand out in one or more of the following:

- Mix of land uses
- Using compact building design
- Utilize clean energy and green building development
- Foster distinctive, attractive communities with a strong sense of place
- Create housing choices for all types of households and incomes
- Strengthen existing communities to achieve balanced regional development
- Preserve open space, farmland, historic buildings, and environmental areas
- Encourage citizen and stakeholder participation in development
- Make development decisions predictable, fair, and cost effective
- Provide a variety of transportation choices
- Creating walkable neighborhoods
