

10TH ANNUAL SMART GROWTH AWARDS

Honoring the people, projects and places implementing
Smart Growth across Long Island

Friday, June 17th, 2011

11:30am-2:00pm

Crest Hollow Country Club, Woodbury, NY

For ten years, Vision Long Island has been honoring the individuals and organizations that display true Smart Growth leadership in advancing projects, policies, regulations and initiatives, including mixed-use development, affordable housing, environmental health and safety, open space and historic preservation, traffic calming and pedestrian safety, transportation enhancements, clean energy, downtown revitalization and/or community-based planning. Vision will showcase the people, projects and policies that represent Long Island's brightest hopes for the future.

The honorees demonstrate extraordinary progress toward achieving the Smart Growth solutions on which Long Island depends. *To succeed, they are depending on your support for solutions that work*

The Smart Growth Awards recognize visionaries on the cutting edge of land-use. This year's event will highlight efforts that address transportation, walkability, preservation, sustainable development, green design and small and large scale mixed use development. We will also honor those who are bringing Smart Growth Principles together, including government, private sector, and community leaders. Come see not only what is possible, but what is being implemented.

Sponsorship packages are available. Download registration forms, information about past events and more at visionlongisland.org. You can also contact our office at (631) 261-0242.

Please join us on June 17th. We look forward to seeing you for what promises to be our most exciting Awards yet.
