

10th Annual Smart Growth Awards

Extended Deadline!

Nominate an individual, project, policy or organization by February 18th, 2011

For ten years, Vision Long Island has been honoring the individuals and organizations that display true Smart Growth leadership in advancing projects, policies, regulations and initiatives. Specific focus areas include mixed-use development, affordable housing, environmental health and safety, open space and historic preservation, traffic calming and pedestrian safety, transportation enhancements, clean energy, downtown revitalization and/or community-based planning.

Award recipients will stand out from other entries in their ability to demonstrate one or more of these basic principles:

- Mix land uses
- Take advantage of compact building design
- Create housing choices for a range of household types, family sizes and incomes
- Create walkable neighborhoods
- Foster distinctive, attractive communities with a strong sense of place
- Preserve open space, farmland, historic buildings and critical environmental areas
- Strengthen existing communities and achieve more balanced regional development
- Provide a variety of transportation choices
- Make development decisions predictable, fair and cost effective
- Encourage citizen and stakeholder participation in development decisions
- Utilize clean energy and green building development
