LONG ISLAND LOBBY DAY

LI hardships need not be ignored by Albany

On Monday, June 8th a bus filled with Long Island business, environment, civic, human service and labor leaders will be journeying to Albany for the first *“Long Island Lobby Day”*. This lobby day is to ensure that Long Island’s needs are not being overshadowed by those of New York City and other areas of the state.

The new, diverse coalition of organizations include AARP LI Chapter, Citizens Campaign for the Environment, Nassau Council of Chambers of Commerce, Federation of Labor, Suffolk Community Council, Nassau Council of Chambers of Commerce, Huntington Chamber of Commerce, LI Hispanic Chamber of Commerce, Nassau-Suffolk Coalition for the Homeless, LI Software and Technology Network, Vision Long Island, Empire State Future, and the Tri-State Transportation Campaign. These issues include sewers, transportation, energy, human services and small business tax relief.
