Join the 2007 Smart Growth Summit...

Goals of this year's summit include honing policies and achieving best practices in:

- Addressing the challenge of green building and climate change
 - Innovative strategies for affordable housing
 - Regional transportation and infrastructure investments
- Project development in downtown and commercial corridors
- Coordinating regional planning initiatives

It will also feature interactive how-to sessions regarding:

- Smart Growth codes
- Designing a charrette process
 - Green Building
- Transit-Oriented Development and walkability

Additionally, there will be a strategy session for civic and community leaders who are working on Smart Growth projects and visions across Long Island.

If you would like to endorse, participate, and/or sponsor the 6th Annual Smart Growth Summit, please contact:
